Such club or organization applying for recognition by the TAA must have at minimum one TAA certified instructor on its teaching staff that maintains current membership in the TAA. This instructor will agree to follow the TAA curriculum and promote the teaching of Tomiki Aikido and Sport Aikido as set forth by the TAA. Recognized clubs/instructors will encourage the membership of their students in the TAA. The instructor(s) will also agree to pay testing fees in the amount of ten dollars per kyu rank test to the TAA for each student they recommend for ranking in the TAA. Dan rank testing fees will be determined by the board and will be commensurate with the rank being tested for. Recognized clubs and their instructors will be expected to support and participate in TAA events such as clinics and tournaments.
